

Resolution of Wisconsin Ministers Denouncing the Unconstitutional Decrees of Governor Evers

Whereas, God is the sole Creator of the earth, and man, being created directly in His image, is the apex of His creation; and

Whereas, God is the ultimate and highest authority, and His laws are the highest laws; and

Whereas, masks cover the image of God by obscuring personal identity, and violate the holy law of God by restraining the healthy in place of the symptomatic sick; and

Whereas, God has created man to bear His image, while he labors for six days in seven and then joins in worship and rest on one; and

Whereas, the Constitution of the state of Wisconsin and the Constitution of the United States recognize the right of the people to assemble peaceably shall never be abridged; and

Whereas, every ruler, including the Governor, must be bound to keep his oath of office to uphold the Constitution of Wisconsin and the Constitution of the United States; and

Whereas, the Governor has no constitutional authority to create laws as that is the duty of the legislature; and

Whereas, churchmen are commissioned to preach the whole counsel of God's Word and to be a conscience to a world that is often ruled by tyrants.

Now therefore, we, ministers of the gospel, in our God-ordained office, do DECLARE and DIRECT the following:

That Governor Tony Evers retracts his unconstitutional and oppressive mandates that require the citizens of Wisconsin to cover the image of God by covering their faces with a mask, and the mandates that abridge the citizens of Wisconsin from exercising their God given right to freely labor and peaceably assemble.

That the Wisconsin Legislature reconvenes with the express purpose to fulfill their legislative duty by ending the unlawful Emergency Declaration and fulfill their oath before God to uphold the Wisconsin Constitution and statutes and check the tyrannical decrees that have been declared by the executive branch.

Further, we resolve and direct our fellow churchmen to ignore and interpose against the unauthoritative mandates of Governor Evers by instructing from Scripture the limits of civil government and by teaching that disobedience to tyrants is obedience to God.

Thus, may our Heavenly Father rule and His laws be obeyed.
